- 2) **Medium:** Among the medium-level bug hunters, 2 bug hunters will be randomly drawn to collect a Rare NFT, and the others will receive a Common NFT.
- 3) **Low:** Among the medium-level bug hunters, 1 bug hunter will be randomly drawn to collect a Rare NFT, and the others will receive a Common NFT.

Bug Contributor	NFT Reward
High	1 Legendary, 3 Rare, Common
Medium	2 Rare, Common
Low	1 Rare, Common

Proposal Contributors

Among the proposal contributors, one will be randomly drawn to collect a Rare NFT, and the others will receive a Common NFT.

Proposal Contributor	NFT Reward
Best one	Rare
Others	Common

How to randomly draw lucky winners?

We will draw the winners based on the Transaction Hash (converted to X system) of the first block of ETH at the specific draw time (X = the number of people in the prize pool).

The draw time will be announced later, please stay tuned.
